Overview

Tranquil, tropical and tree fringed – Cambay Palm Lagoon is a six acre paradise on earth. Nestled in a coconut palm forest, on the shores of the azure Ashtamudi Lake - the second largest water body of Kerala is your haven away from home. An enchanting holiday resort in a naturally landscaped peninsula. The resort is really an isolated piece of world with very calm and pleasant nature from where you can see sunrise and sunset from a single point. A panoramic view of a number of tiny islands blanketed by green vegetation gives an unforgettable experience.
